

That the FCC should not implement
any proposal that would lessen
Indiana's Telephone Privacy law
protections.

- How Indiana's Telephone Privacy law
has improved your time at home.
- How effective Indiana's law has been
("I used to receive 10+ calls per
week, now I only receive almost none").
- I believe that repealing the law or lessening
it would be a serious step backwards for
Indiana residents.

Thank you for your attention to this
message.
